Brian, Melissa & Gary:

I very much appreciate each of you making yourself available to discuss the Region's efforts to see if we can recover monies from a "Trust" created by EL Paso Energy Corporation.

EL Paso Energy Corporation was one of the PRPs at the Wilcox Oil site.

EPEC Oil Company created a Liquidating Trust Agreement on March 9, 2001. The Trust Agreement states that all claims against the trust had to be asserted by December 18, 2008.

Attached per your request is a copy of the Liquidated Trust Agreement, Kinder Morgan's 104(e) Responses from January 7, 2013 and January 15, 2016.

After reviewing these documents please let me know when we can have another Conference Call to discuss this matter

Thanks to All,
